Service Organization Memberships:

Candidate’s Statement (reproduced exactly as submitted):

Please allow me to serve as your elected representative for another three-year term. Currently, I serve on the Permanent Fund Committee, and as a member of the Port and Harbor Revenue Committee. As your incumbent councilmember, I have worked to make our streets safer by bringing a much-needed police officer to our city.

Over the past three years, I have worked on our Capital Improvement Projects, Comprehensive Plan, Spit Plan and Climate Action Plan. Together with professional staff, elected representatives, and the citizens of Homer, we have completed the design phase of these plans. Now, the challenge is funding and implementation of these plans and I look forward to continuing this work.

If reelected, I promise my continued focus on:

- *bringing the natural gas line to Homer
- *reviewing city processes and making Homer “business friendly”
- *keeping public safety a top priority
- *creating efficient and effective government policies

Reelect Barbara Howard for Homer City Council. Vote on October 4, 2011
