Candidate's Statement (reproduced exactly as submitted):

I have lived in Alaska since 1957 and in the City of Kenai nearly all of my life. My parents believed in giving back and making your community the best it can be. Our family has a deep rooted history of public service. I have served on the Borough Assembly representing the Kenai District and as Chief of Staff for Mayor Williams. I have served on Kenai Chamber of Commerce and also as its president. I have and continue to volunteer for multiple non-profits that make Kenai a better place to live for all of us.

I believe that as sales tax increases, it will provide an opportunity to reduce property taxes while still maintaining the vital services that make Kenai a safe and great place to live. I know there will be a lot of new challenges and tough decisions ahead. I promise to listen and by working together we can find a solution to any problem. I would appreciate your vote on October 4th. Please feel to call me with any questions at 394-2303.
