Candidate's Statement (reproduced exactly as submitted):

I am a Candidate for Mayor. I have the will, skills and time, as a retired individual to continue serving the community and citizens of Seward. I believe Seward is a great place to live, do business, recreate, gain an education through the opportunities offered by our local education institutions, Seward Schools K-12, AVTEC, Mariner Center, both accredited & certified, UAF Marine Research Center, Alaska, A.S.L.C Research Programs, etc.

It is my goal to help these facilities grow even more, and our learning centers prosper.

The arrival of the UAF Sikuliaq and the great news of a major fishing fleet Alaska Coastal Villages, wish to move to Seward, will complete SMIC Basin, encourage more private enterprises to do business here.

We have accomplished much these past years and I wish to devote my efforts in the future to continue it, I plan to help make Seward the best place to live, raise a family, play & enjoy life to the fullest.
