Candidate's Statement (reproduced exactly as submitted):

It has been an honor and a privilege to have served the people of the greater Soldotna area both in my former profession and as an elected council and assembly member. I have found that being a local elected official is a way to give back to the community, and after a year of reflection, I am seeking to serve on the Soldotna City Council once again. I believe that Soldotna has been moving in a good direction, but we face an uncertain future. I also believe that my experience and demonstrated leadership at the local, state, and national levels will be an asset as we face challenges and opportunities in the future. Your consideration and your support are appreciated. Please be sure to vote on October 4.

Thank you.
