

**KENAI PENINSULA BOROUGH  
PROPOSITION NO. 1 SUMMARY**

**LIMITING TERMS OF OFFICE FOR THE KENAI PENINSULA BOROUGH ASSEMBLY  
TO TWO CONSECUTIVE TERMS AND DEFINING A TERM OF OFFICE FOR THE  
ASSEMBLY AS ANY PORTION OF A TERM**

*(To be voted on by all borough voters)*

*Shall Initiative Ordinance 2009-02, limiting terms of office for the Kenai Peninsula Borough assembly to two (2) consecutive terms, be approved?*

On August 6, 2009, the Borough Clerk certified an initiative petition that seeks to limit a person who has completed two consecutive assembly terms from serving on the assembly again until a period of three (3) years has passed.

A “term” is proposed to include a regular three-year term of office for an assembly member, or any portion of a regular term of office served by appointment or election to the remainder of an unexpired term vacated by another person, or any term served by election that is less than three (3) years due to a change in assembly composition, membership structure, districting or apportionment.

**BALLOT LANGUAGE FOR PROPOSITION NO. 1**

Shall Initiative Ordinance 2009-02, limiting terms of office for the Kenai Peninsula Borough assembly to two (2) consecutive terms, be approved? This ordinance limits a person who has completed two (2) consecutive terms from serving on the assembly until a period of three (3) years has passed since the end of that person’s second consecutive term. A term includes a regular three-year term or any portion of a regular term served to complete a term vacated by another person, or a term that is less than three (3) years due to a change in composition, membership structure, districting, or apportionment.

YES            [A Yes vote would limit a person who has completed two (2) consecutive terms on the Kenai Peninsula Borough assembly from serving another term or portion of a term until a period of three (3) years has passed since the end of that person’s second consecutive term of office.]

NO             [A No vote would defeat Initiative Ordinance 2009-02.]
