Dear Mayor,

My term on the Planning Commission is set to expire in July and I am respectfully requesting reappointment. I was first appointed by Don Gilman and have received subsequent appointments from Mike Navarre, and Dale Bagley. In addition to the experience longevity has awarded me, I've also participated in the Roads Seminar, Flood Plain Seminar, and Erosion Seminar put on for KPBC public office personnel; as well as an aerial flight for the Planning Commission over the Borough and guided tours on Kenai River by River Center experts.

The honest and sometimes agonizing job I do on the Planning Commission is backed up by a clear conscience that is ever questioning whether or not I've chosen the best position or voted correctly. I view this open-mindedness as a strength of character. I hope you will do the same and reappoint me.

Respectfully,

Brent Johnson
