SUBJECT: Authorization to Award of Contract for Purchase and Installation of a Fire Station Generator for the Kachemak Emergency Service Area

The Purchasing and Contracting Office formally solicited and received bids for the "KESA Fire Station Generator Addition". Bid packets were released on June 7, 2006 and the Invitation to Bid was advertised in the Peninsula Clarion on June 7 and the Homer News on June 8, 2006.

One bid was received on June 16, 2006 and reviewed to ensure that all the specifications and delivery schedules were met. The low bid of \$52,325.00 was submitted by Puffin Electric. Additional negotiations between Puffin Electric and the KESA board have resulted in a revised price of \$42,375, including the automatic transfer switch materials and labor.

Funding is available in the Kachemak Emergency Service Area capital fund balance, contingent upon passage of Ordinance 2006-19-12 at the Assembly meeting on August 15, 2006.

Your approval for this bid award is hereby requested.

Approved

John J. Williams, Mayor
