The Road Service Area (RSA) submitted a request for legislative grant funding in the Fiscal Year 2011/2012 State of Alaska Capital Budget. The State of Alaska Department of Commerce, Community and Economic Development has provided award notification, and the RSA is expected to pass a motion recommending acceptance of the grant for road improvement projects at its regular board meeting on August 9, 2011. The enclosed chart lists unfunded roads in need of improvements.

The five-year project performance period ends June 30, 2016. The Road Service Area Director shall provide grant oversight and project completion.
