

KENAI PENINSULA BOROUGH

Grant Management

MEMORANDUM

TO: Gary Knopp, Assembly President
Members of the Kenai Peninsula Borough Assembly

THRU: David Carey, Borough Mayor *W. Carey*
Craig Chapman, Finance Director *C. Chapman*

FROM: Brenda Ahlberg, Community & Fiscal Projects Manager *B. Ahlberg*

DATE: September 19, 2011

SUBJECT: Ordinance 2011-19-11 accepting and appropriating \$8,998,000 from the State of Alaska for the Homer Solid Waste Transfer Facility Construction Project

DAVID R. CAREY
BOROUGH MAYOR

The following corrections should be recognized in the original memo dated August 4, 2011:

The borough submitted a request for legislative grant funding in the Fiscal Year 2011/2012, State of Alaska Capital Budget. Senate Bill 46, which appropriated funding in the amount of \$8,998,000 for this project, was passed by the State Legislature and signed by Governor Parnell on June 29, 2011.

In August 2013 the current Homer Landfill, Class II Solid Disposal Permit ends. The borough will apply to Alaska Department of Environmental Control for an Inert Waste Mono-Fill Operational Permit. The inert waste will be buried on site and the waste received will need to be transported to the central landfill located in Soldotna.

The AK Dept. of Commerce, Community and Economic Development (DCCED) has provided award notification. This project is ready to move forward with the completed design and construction of an approximately [47,500] **9,000** sq. ft transfer/waste handling building. The funding will reimburse the design, civil site development, construction, equipment and furnishing costs associated with project completion.

The five-year, project performance period ends June 30, 2016. **Kevin Lyon**, the [Solid Waste Director, working in conjunction with the] Capital Projects **Director** Department project manager, shall provide grant oversight and project completion.
