**Subject:** Regarding tonights meeting/ KPB Ordinance 2011-19-24

Dear Assemblypersons,

Please do not vote in favor of giving our tax money to the Watershed Forum group.

\$100,000. is a lot of money, and as for an economic boost, nonsense!

Boost our 'hope; for lower taxes, that would really help everyone more. As voters, we just informed all of you that you are to spend our taxes wisely, and all but a few ( with their hands out) would feel this "cause" to be unwise spenditure.

I also would ask that the Assembly, who is already paying top money for their assessors, to not fund even more money for them to do their jobs. Ordinance 2011-19-59/They certainly have way over assessed our own property even after we went through the appeal process , so we can only assume many others are being way over assessed, to raise more money for the assembly to spend unwisely?? I feel sure that these assessors are over-assessing the Tesoro Refinery too.

Sincerely,

Carol Broussard

Re: Funding for Kenai Watershed forum

I very much support the \$100,000 to the Kenai Watershed Forum. This ordinance is about enhancing salmon habitat, not about funding non profits!

Thanks for your consideration!
