Re: Capital Projects for Career and Technical Education Plan

Dear Craig,

The State of Alaska has provided the district with additional funding, through Senate Bill 84, which is to be used for Career and Technical Education for students in grades 9-12. Since this is a long-term change in funding and focus, the district has identified some capital projects that will enable a change in the programs offered at some borough schools.

School District and Borough Capital Projects employees have worked together to develop a list of four projects and estimated costs that are scheduled for FY12 as follows:

Seward High School Shop Addition	\$180,000
Nanwalek Welding Shop	40,000
Kenai Central High School Culinary Kitchen	74,000
Skyview High School Covered Storage Area	400,000
	-----
Total estimated cost of projects	\$694,000

Please consider this letter the district's request to proceed with the projects and our commitment to fund them with these additional funds.

Sincerely,

Dave Jones
