

KENAI PENINSULA BOROUGH

Road Service Area

MEMORANDUM

TO: Gary Knopp, Assembly President
Members of the Kenai Peninsula Borough Assembly

Mike Navarre
BOROUGH MAYOR

THRU: Mike Navarre, Mayor *P.O. for U.U.*
Craig Chapman, Finance Director *C Chapman*
Brenda Ahlberg, Community & Fiscal Projects Manager

FROM: Doug Schoessler, RSA Director *Dell*

DATE: April 16, 2012

SUBJECT: Ordinance 2011-19-86, accepting and appropriating a grant in the amount of \$432,837 from the State of Alaska Division of Homeland Security and Emergency Management on behalf of the Road Service Area to complete a catch basin and culvert drainage project

The borough applied for funds through the Federal Emergency Management Agency, Hazard Mitigation Grant Program to complete a drainage and culvert project in the Lowell Point area. Award notification in the amount of \$432,837 was recently received from the Alaska Division of Homeland Security & Emergency Management.

The project, located on Beach Drive, consists of a catchment basin and outflow culvert system that will improve water conveyance from a section of the road that is regularly flooded due to heavy rain storms, snow melt and tidal surges.

At its meeting of April 10, 2012, the Road Service Area (RSA) board passed a motion recommending acceptance of the grant. The project performance period ends February 2013. Henry Knackstedt, RSA Road Engineer/Project Engineer, is the project manager and will provide grant oversight and project completion.
