

# KENAI PENINSULA BOROUGH GRANTS MANAGEMENT

---

## MEMORANDUM

MIKE NAVARRE  
BOROUGH MAYOR

**TO:** Gary Knopp, Assembly President  
Members of the Kenai Peninsula Borough Assembly

**THRU:** Mike Navarre, Mayor *MN*  
Craig Chapman, Director of Finance *C Chapman*

**FROM:** *B.A.* Brenda Ahlberg, Community & Fiscal Projects Manager

**DATE:** February 2, 2012

**SUBJECT:** Ordinance 2012- *04*, authorizing revised Community Revenue Sharing Program expenditures for unincorporated communities and approving the use of funds by Voznesenka and Razdolna

---

The State Legislature has approved a one-time proportional payment to municipalities and unincorporated communities through the Community Revenue Sharing Program; hereinafter referred to as "Program." Qualified communities and respective use of funds were approved in ordinance 2011-19-56. However, the unincorporated community of Cohoe was allocated the total sum twice to two nonprofits; this ordinance corrects that error. Additionally, the application for the community of Razdolna had not been received at the time that O2011-19-56 was approved; therefore, this ordinance approves Razdolna's use of funds.

Lastly, this ordinance approves the FY10 and FY11 use of funds in the amount of \$39,208 for the unincorporated community of Voznesenka. The community elected to defer these funds, affording them the ability to construct a community room for public use. The borough retains the FY12 allocation and one-time proportional payment for future award.

Brenda Ahlberg, the Community & Fiscal Projects Manager manages the Community Revenue Sharing Program.
