TO: Gary Knopp, Assembly President
Members, Kenai Peninsula Borough Assembly

THRU: David R. Carey, Mayor *DR Carey*

FROM: Doug Schoessler, Roads Director *DOS*

DATE: February 3, 2011

SUBJECT: Resolution 2011-012, supporting the State of Alaska in securing federal funding for the improvement and paving of Lowell Point Road and committing to work with the City of Seward to provide a ten percent local match not to exceed two million dollars

The borough has included the upgrade, improvement and/ or paving of Lowell Point Road on its federal and state priorities lists. The State recently notified the Road Service Area that the project is eligible for Community Transportation Funds through the Statewide Transportation Improvement Plan utilizing federal funds. The project will be presented to the state legislature where it will compete with other state community transportation projects for federal funding. In order for the project to move forward the borough and City of Seward, which also included the project in their state priorities list, must commit to attempting to secure funding for a ten percent local match not to exceed \$2,000,000.
