DAVID R CAREY
BOROUGH MAYOR

MEMORANDUM

TO: Gary Knopp, Assembly President
Members, Kenai Peninsula Borough Assembly

THRU: David R. Carey, Mayor *DK Carey*

FROM: Henry Knackstedt, RSA Project Administrator/Engineer *HK*
Doug Schoessler, Roads Director *DS*

DATE: April 28, 2011

SUBJECT: Resolution 2011- 055, Acquisition of a drainage easement from Rolf and Carol Bardarson for CIP project no. E3MOA Moat Way

Moat Way is a borough-maintained road and a current capital improvement project (CIP) located in the Seward Area. One of the primary design considerations is the handling of storm water runoff from the subdivision located to the north of Moat Way. The proposed drainage easement allows the storm water from the subdivision and Moat Way to flow to a normally dry drainage course to the southeast of the cul-de-sac. The drainage easement will allow the road service area (RSA) to maintain drainage from the road while helping minimize flooding of adjacent private properties. Acquisition of the drainage easement is in the best interest of the Kenai Peninsula Borough for successful completion of the project.
