Subject: Support: Resolution 2011-086

Assembly President Knopp and members of the Kenai Peninsula Borough Assembly,

I strongly support the passage of Resolution 2011-086, which would reverse a previous decision to close solid waste facilities on Sundays during the Winter months. Sundays are one of the few days that many working people have to responsibly dispose of their solid waste. Additionally, other days throughout the week are convenient and conducive to commercial interests. I believe the Borough should continue providing Solid Waste services seven days a week.

I offer my thanks to Assemblymember Smalley and Mayor Carey for introducing this resolution, and I thank the entire Assembly for their consideration.

Thank you for your service to our Borough. I appreciate the tough decisions you have to make, and the effort you put into making those decisions.

Ryan Marquis
Kenai
