Subject: Support Compliance to PETS Act

Dear Assembly:

I am writing to you today to show my support of the resolution concerning the need to develop a plan to provide for sheltering pets in compliance with the Pets Evacuation and Transportation Standards Act. I agree that our borough needs to develop a plan in accordance with the provisions of the PETS Act.

Pet care and pet safety are topics very near and dear to my heart. I believe that we should all be good stewards to the animals that share our lives. We must all remember that animals can not speak for themselves and it is our responsibility to protect them.

I do hope you will support this resolution. If I can be of service in any way to make this plan a reality please feel free to call on me.

Thank you for your time and service to the borough.

Sincerely,
Denise Cox
