SUBJECT: Resolution 2012-009, approving a Memorandum of Understanding from the Alaska Department of Military and Veteran Affairs, Division of Homeland Security and Emergency Management to conduct a Security Vulnerability Assessment

The Alaska Department of Military and Veterans Affairs, Division of Homeland Security & Emergency Management (DHS&EM) provides funds through the State Homeland Security Program (SHSP) to enhance the capability of local governments to prevent, deter, respond to and recover from all-hazard incidents and to enhance regional preparedness efforts.

DHS&EM has provided award notification for the 2011 SHSP in the amount of \$106,350, which will be introduced by way of ordinance. In addition to the monetary award, the grant agreement includes a Memorandum of Understanding that will authorize DHS&EM to conduct a Security Vulnerability Assessment (SVA) on borough-owned facilities. The borough will provide a list of facilities to be assessed. The completed SVA will carry a value for completion by the state, or a state-funded contractor. This assessment will provide the borough with recommendations on how to protect critical infrastructure. David Kang, DHS&EM SVA project manager, has provided the attached summary describing the SVA program.

Eric Mohrmann, Emergency Management Director shall be the project manager for the grant funds. The performance period ends December 2013.
